## SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The references listed on the attached form SB/08A are being called to the attention of the Examiner. Each of the references was cited in an international search report established by the European Patent Office in Int'l Application No. PCT/US2004/040636, which corresponds to the above-identified pending U.S. application. A copy of the international search report is enclosed. Pursuant to 1276 OG 55 dated August 5, 2003, copies of cited U.S. patents and/or publications are not being submitted as this application was filed after June 30, 2003.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the “references cited” on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is made that a search has been conducted or that this statement encompasses all possible relevant information.

Applicant believes that no fee is required in the submission of the enclosed Information Disclosure Statement since it is being filed within three months of the receipt of the international search report or prior to receipt of the first official action. However, should the Commissioner determine that a fee is required, authorization is hereby given to charge the total of any such fee to Deposit Account No. 03-0177 referencing Docket No. 100/12330.

Respectfully submitted,
